Since this is the last term of the Tower for this year, it is fitting that we look back on the past year and anticipate the events of the next.

The year of 1937 has been one of great activity and progress for C. U. and its alumni. The Tower has been expanded, the alumni newspaper has been established, and several important events have taken place.

One of the most important events was the annual alumni banquet held in November. This year, the banquet was held at the Hotel Pennsylvania and was attended by hundreds of alumni from all over the country.

Another important event was the establishment of the alumni chapter at C. U. This chapter will serve as a liaison between the university and its alumni, and will provide a forum for alumni to discuss issues of mutual concern.

In addition, the Tower has continued to provide a valuable source of information and entertainment for its readers. The staff has worked hard to ensure that the Tower remains a valuable resource for all C. U. students.

The Tower looks forward to an exciting year ahead, and is grateful for the support of its readers and friends.
