Agenda

- **Issues**

- *Attendance:* We will be holding weekly board meetings that must be attended by all board members. Open meetings, those open to any SNA student, will be held biweekly. **Attendance taken (Cara has sign in sheet with job titles for 1st meeting)**
 - As of the present moment all meetings will be held on Fridays at 1:30pm in the Nursing Lounge. **CHANGE: Fridays @ 3 in Nursing Lounge**
 - Attendance will be taken at every meeting. If you are unable to attend a meeting contact Cara Mulroy.
- *Responsibilities:* Once the committees and positions have been filled and accepted, it is the responsibility of the position holder to carry out their job promptly. Updates about progress will be given (by the individual committees and positions) at every meeting.
- *Involvement:*
 - *Nursing Ball:* We want to make Nursing Ball an event that people want to go to and an event that will bring the entire School of Nursing together as a community. In order for this to happen, we need everyone's help by urging classmates and friends (those in the SON and those not) to attend our fundraisers.
 - *Mentoring:* In order to be more of a community, we would like to reach out and help underclassmen and freshmen transition into nursing through tutoring opportunities.
 - *Community Service:* It is a responsibility of groups on campus to perform community service. This year we would like to increase the number of students in the SON who are involved in the community service projects.

- **Discussion and Review of the Budget**

- Angela Montanio- **Need meeting with the Dean to clarify what the SON is responsible for and what we can use the \$3,000 budget for.**
- **Need quotes for funding**
